

SECTION 00030
ADVERTISEMENT FOR BIDS

The Clinton Utilities Board will receive sealed bids for construction of the **2024 Miller Rd. 12" Forcemain – Miller Rd. Pump Station Phase I** until 10:00 AM EST on October 22, 2024. Bids must be delivered to Clinton Utilities Board (CUB) at 1001 Charles G. Seivers Boulevard, Clinton, TN 37716 at which time the bids will be publicly opened and read aloud. Late bids will not be accepted nor returned. The project will generally consist of the following:

Installation of approximately 3,100 linear feet of New 12" Ductile Iron Pipe (D.I.P.) & Fittings w/ Protecto 401 epoxy lining, New 24" steel Casing, Connections to the existing force main / pump station, concrete pipe collars and associated appurtenances to the main project.

Bidding Documents may be obtained by prospective bidders beginning September 19, 2024 from the office of Clinton Utilities Board (CUB), 1001 Charles G. Seivers Boulevard, Clinton, TN 37716. Once CUB receives the Bidding Documents Request from a prospective Bidder, a thumb drive containing the Bidding Documents will either be made available for pick up at CUB's main office or mailed to the prospective bidders at the address they provide. No printed copies of drawings or other documents will be available.

Questions and or inquiries regarding this Bid Request should be emailed to CUB's Director – Water and Sewer Department, Greg Jones, gjones@clintonub.com. Questions posed after Friday, October 11, 2024, will not be answered. Oral and other interpretations or clarifications will not be legally binding.

The Owner reserves the right to waive any informalities and to reject any or all bids.

All Bidders must be licensed contractors with "MU" classification in the State of Tennessee as required by the Contractors Licensing Act of 1994 and related amendments thereto, with all bid submittals conforming with the State of Tennessee requirements.

Greg Jones, P.E., Director Water and Sewer
Clinton Utilities Board
